

EM Magazine Publishes Article by Zemba and Roakes

MAY 8, 2020

EM Magazine has added a new section called, Waste Management Corner to expand its waste management content coverage. Sanborn Head is pleased to have the first article published in this special section, “PFAS Exchange between Landfills and Wastewater Treatment Plants: The PFAS Cycle?,” by Stephen Zemba and Harrison Roakes.

The articles appear in the [May 2020 issue of *EM Magazine*](#) a copyrighted publication of the Air & Waste Management Association (A&WMA). To learn more visit www.awma.org.
