

Sanborn Head to sponsor & present at 2022 International Erosion Control Association (IECA) Northeast Chapter Regional Conference

NOVEMBER 7, 2022

Sanborn Head is a proud sponsor of this year's International Erosion Control Association (IECA) Northeast Chapter Regional Conference. The event will be held November 7 – 8 at the Holiday Inn in Saratoga Springs, New York.

[Kelly Anderson](#) will present "*Martins Ferry Road Embankment Modifications – A Case Study*" on Monday, November 7.

The Conference will include peer-to-peer learning, regional networking, technical skills-building, dynamic speakers, product showcase, and a variety of other professional development opportunities.
